Inventor's Trophy

Hello Abhijeet Nayak,

Today we are happy to present to you the first building block of the Daimler Inventor's Trophy.

This Inventor's Trophy is to show Daimler's appreciation for your inventive achievements. It gives you the opportunity to become recognized as a Daimler-Inventor. Your spirit of innovation strongly contributes to the shaping of the automobile of the future.

The trophy is composed of several individual blocks that will continue to build on each other in relation to your invention contributions. To be considered for the Daimler Inventor's Trophy, all first filed patent applications since the name change of Daimler AG, i.e. 04.10.2007, will be reviewed. Please refer to the enclosed leaflet for further details.

We hope you enjoy "building" your personal Inventor's Trophy and look forward to receiving further invention disclosures from you.

Yours sincerely,
Daimler Brand & IP Management GmbH & Co. KG
